Prof. R.K.Sinha, Vice-Chancellor, Gautam Buddha University, expressed enthusiasm about the initiative, stating that "At GBU, we believe in providing our students with not only academic excellence but also facing the interview covering all facets of life. He delightfully extended his warmest greetings while inaugurating the event. As Gautam Buddha University continues to prioritize student welfare and holistic development, the launch of the Life Skills Training initiative marks a significant milestone in its ongoing commitment to providing a transformative educational experience. Through this initiative, GBU reaffirms its dedication to nurturing future-ready graduates who are not only academically proficient but also equipped with the life skills and character traits needed to thrive in an ever-changing world.

- An insightful expert lecture on the “Transformative Journey of Converting Ideas into Reality” was organized on 25 April, 2024. The Speaker was Shri Anil Swarup (Retd IAS), Former Secretary, School Education, Former Coal Secretary, Govt. of India. His lecture aimed to delve into the intricacies of idea realization, offering attendees a comprehensive understanding of the process from conception to implementation of

idea. Attendees had the privilege of gaining valuable insights from seasoned experts in the field, providing them with actionable strategies to bring their concepts to fruition. "Converting ideas into reality is not merely a process; it's a journey of perseverance, innovation, and strategic planning" remarked Shri. Anil Swarup Ji. He further pointed out that through collaboration, determination, and a relentless pursuit of excellence, individuals can turn their dreams into tangible achievements.

Hon'ble Vice Chancellor Prof.R.K.Sinha said GBU remains committed to fostering a culture of innovation and entrepreneurship, providing its community with opportunities to learn, grow, and thrive in an ever-evolving world.

The event witnessed an enthusiastic participation from students, faculty members, and industry professionals, underscoring the significance of the topic in today's dynamic business landscape. Attendees left the lecture inspired and equipped with the knowledge and tools necessary to embark on their entrepreneurial endeavors with confidence.

- A seminar was organized on 9<sup>th</sup> April, 2024 on the possibilities of internationalization of Gautam Buddha University. The meeting was presided over by Professor Ravindra Kumar Sinha, Hon'ble Vice Chancellor, GBU. The chief guests of the seminar were Professor Ernest von Kimkowitz, St. Gallen University, Switzerland and Professor S.

K. Tripathi, Vice Chancellor of Atmia University Gujarat. The main objective of this seminar was to promote international relations, global cooperation, cultural exchange and educational excellence. Professor R.K. Sinha expressed his enthusiasm for this transformative initiative and said, “Internationalization of our academic programs will provide the GBU students with an exposure to the world and is a testament to our commitment to providing quality education. By expanding our international partnerships and offering a diverse range of educational opportunities will help the students succeed in the global marketplace. We are equipping our students with the skills and knowledge they need to excel in an increasingly interconnected and fiercely competitive world”.
