An offline, hands- on training session on “Patent prior art search” was held on Thursday,15<sup>th</sup> December 2022 from 10:00pm-1:00 pm. This IPR workshop was organized by Intellectual Property Rights Cell (IPR Cell), Gautam Buddha University.

The expert lecture was given by Ms. Poulami Sarkar, Associate – Patent Research Khurana and Khurana Advocates and IP Attorneys, Greater Noida.

The session involved an introductory talk about the significance of patents and the basics of

patent filing process. As the session proceeded further the importance of prior art search was discussed. The presentation was followed by a training session held in the computer lab where individual directions were given to the participants, exposing them to various nuances of prior art search on the databases freely available on the internet. The last part of the session involved a demonstration of prior art search on a paid database “Orbit” by the speaker.

The session was concluded by Vote of thanks and memento presentation by Dr. Shakti Sahi, Nodal officer, IPR cell.
