The Department of Electrical Engineering, School of Engineering at Gautam Buddha University hosted a project exhibition in which more than 100 students participated. On this occasion, honourable vice-chancellor, Professor Ravindra Kumar Sinha, served as the chief guest for the inauguration of this project exhibition. He motivated the students, research scholars and faculty members with his words of wisdom and motivated for innovative project ideas. In the sphere of science, this event featured a wealth of expertise and experience. In front of the members of the jury, students from the Departments of Electrical engineering, presented their creative concepts in terms of the projects. The number of students who took part in this event was close to one hundred. The top three projects each received a souvenir along with a certificate of achievement for their efforts. The students who got the prize certificates are from Electrical Engineering. Some students were given popular award certificates. *The first prize went to Ms. Farwa Haider, Mr. Satayam Gupta & Ms. Prakriti Mathur. The second prize went jointly to Mr. Hardik Nayak, Mr. Mohd. Moazzam, Mr. Apoorva Singh and Mr. Anshul Kumar Pandey, Mr. Mandeep Nayak & Raghvendra Pratap Pal. The third prize also went jointly to Mr. Shubham Sharma, Mr. Kushagra Mishra, Ankit Gupta and Mr. Abhinav Pathak, Mr. Abhishek Srivastav & Mr. Surya Prakash Gupta.*

The faculty members from the School of Engineering, Dr M. A. Ansari (HOD, EED), Dr. Kirti Pal (Dean, SOE), Dr Nidhi Singh & Dr. Omveer Singh, were in charge of coordinating (Faculty Coordinator) this exhibition. Prof. S.P. Singh, IIT Roorkee was the external expert of the project evaluation. The faculty members not only encouraged the students but also motivated and inspired the students to take part in this event.

Aditya Singh, Ailan Verma, Asad Mazhar & Ashutosh Mishra were the student coordinators who were responsible for unifying the event in a respectable manner.
