## NEWS LETTER

English Version

Year 2, Issue 11, May - June, 2025

## Quiet of Incubation: New Beginning Ahead

As the final pages of this academic year turn, we pause to reflect—not just on dates and milestones, but on the journey that we have all shared. The closing session is more than the conclusion of classes and exams; it is the summation of countless moments of learning, growth, perseverance, and transformation.

To our students and those moving to higher classes, we extend our warmest congratulations. Our students have left behind footprints of effort, creativity, and resilience that will inspire the ones who follow. For teachers and staff, this is a moment of quiet pride—a time to celebrate the fruits of dedication and hard work that shape the leaders of tomorrow.

As we bid farewell to this session, we carry forward the lessons learned—both inside and outside the classroom. We have faced challenges and embraced change, all while nurturing a spirit of curiosity and community.

One of the highlights of this period was the Industry–Academia Meet, which brought together professionals and scholars to explore meaningful collaborations, skill development initiatives, and research pathways. Events like these reaffirm our commitment to bridging the gap between theory and practice, while also strengthening the career prospects of our students.

As we stand at the threshold of a new semester, let us carry forward the lessons of the past few months—with gratitude for what we’ve accomplished and with enthusiasm for what lies ahead. Here's to continued learning, stronger partnerships, and a renewed commitment to excellence.

From the Desk of the chief editor

# Global Footprints

**1.Uttar Pradesh Government Partners with Monash University & GBU Named as Key Implementation Hub:** On May 29, Chancellor of Gautam Buddha University and Uttar Pradesh Chief Minister Yogi Adityanath presided over the signing of a significant Memorandum of Understanding (MoU) between the UP Government and Monash University, Australia, in Lucknow. The agreement aims to foster international collaboration in education, research, and capacity-building across all levels of education in the state.

CM. Yogi Adityanath and Monash University representative formalizing a landmark academic partnership

A key feature of this initiative is the appointment of Gautam Buddha University as the nodal implementation partner. GBU will coordinate joint programs with Monash University, including curriculum development, teacher training, research projects, and student exchanges, thereby strengthening UP's global academic engagement. The Chief Minister highlighted that education is not merely about degrees but a fundamental pillar of development, and this collaboration is in line with India's National Education Policy 2020, which advocates international partnerships and interdisciplinary learning.

Glimpses of the MoU signing event

Referring to the ancient Vedic ethos of welcoming knowledge from all directions, CM Yogi emphasized that this MoU reflects India's long-standing openness to global ideas. Monash University, a renowned institution with over 84,000 students, brings extensive expertise in training educators worldwide. Professor Manisha, associated with Monash University and formerly a Delhi University academic, played a pivotal role in facilitating this agreement, which was welcomed by dignitaries from both India and Australia.

**2. International Partnership with Philippine Delegation:** Gautam Buddha University hosted a high-level delegation from the Department of Education, Republic of the Philippines, and the Office of the Governor of Benguet Province on June 25, 2025. The meeting aimed at establishing collaborations in the sphere of education, culture, science, technology, youth development, and protection of environment. The GBU delegation was led by Vice-Chancellor Prof. Rana Pratap Singh. Key University members present included Dr. Indu Upreti, Dean, School of Management; Dr. Arpit Bhardwaj, Dean, School of ICT, Dr. Rakesh Srivastava, Head, Department of Education; Dr. Mamta Rani, Faculty, Department of Education; and Dr. Gaurav Kumar, Faculty, School of ICT. The event was effectively coordinated by Dr. C.V. Sivasai, Director of International Affairs in GBU.

**VC Prof. Rana Pratap Singh and others during discussion with Philippine delegation**

The visiting delegation was represented by Dr. Estela P. Leon-Cariño, Regional Director, DepEd Cordillera Administrative Region; Dr. Lorna M. Yaco, Education Program Specialist; and Ms. Rachelle A. Cariño, Executive Assistant to the Governor. Discussions focused on cross-cultural teacher-student exchange programs, education tourism, and collaborative projects aimed at enhancing the delivery of quality education. Both sides expressed optimism about building a sustainable partnership to promote mutual growth and understanding between India and the Philippines.

**3. Dr. Arvind Kumar Singh joined as Visiting Professor to ICCR's Dr. Ambedkar Chair for Buddhist Studies at Lumbini Buddhist University:**

Dr. Arvind Kumar Singh, Assistant Professor from the School of Buddhist Studies and Civilization, has joined as Visiting Professor in the prestigious Dr. Ambedkar Chair for Buddhist Studies, established by the Indian Council for Cultural Relations (ICCR), Ministry of External Affairs, Government of India, at Lumbini Buddhist University, Nepal. He will serve in this role for one academic year. This distinguished academic position symbolizes India's enduring commitment to strengthening global Buddhist academic exchange and cultural diplomacy. The Dr. Ambedkar Chair was inaugurated in 2022 during the historic visit of Prime Minister Narendra Modi to Lumbini, the sacred birthplace of Lord Buddha.

**Dr. Arvind Kumar Singh with others at Lumbini Buddhist University in Nepal**

Dr. Arvind Kumar Singh is the second academican from India to occupy this prestigious chair. His appointment is a recognition of his longstanding expertise in Buddhist studies and his sustained outreach to the global Buddhist academic community. In this context, it is noteworthy that Dr. Singh received the Mahatma Buddha Peace Award in 2020 from the NRI Welfare Society of India and the Dr. Sarvepalli Radhakrishnan Best Faculty Award in Buddhist Studies in 2021 from the Centre for Professional Advancement and Continuing Education, an NGO registered with NITI Aayog. Dr. Singh's appointment marks a significant step forward in India's global Buddhist academic engagement and reinforces the spiritual and scholarly ties between India and Nepal.

**4. Gautam Buddha University Alumnus Appointed Personal Secretary to Hon'ble Speaker of the National Assembly of Bhutan:**

The School of Buddhist Studies and Civilization at Gautam Buddha University proudly announces the exceptional achievement of its distinguished alumnus, Tshering Chedup, who has been appointed as the Personal Secretary to the Hon'ble Speaker of the National Assembly of Bhutan. A graduate of the Batch 2020-2023, Tshering Chedup completed his Bachelor of Arts (Honours) in Buddhist Studies in 2023 and emerged as the topper of his class.

## Academic News

His academic excellence, combined with a profound commitment to Buddhist values, has marked him as an outstanding representative of the University's ideals. The University administration extends its heartfelt blessings and warmest congratulations to Mr. Chedup on this prestigious appointment.

GBU alumnus Mr. Tshering Chedup

An official statement from Gautam Buddha University stated that the dedication, discipline, and humility of Mr. Tsering have been instrumental in this success, and that the university is confident that he will continue to serve with the same sincerity and values that defined his time at Gautam Buddha University. Mr. Chedup's appointment stands as a testament to the transformative education offered at the School of Buddhist Studies and Civilization and reflects the University's enduring commitment to nurturing leaders who contribute meaningfully to society. The entire Gautam Buddha University community wishes Tshering Chedup happiness, good health, and continued success in all his future endeavours.

**2. Round Table Discussion on 'Bridging Innovations & Skills Gap':** Gautam Buddha University organised a Round Table Discussion with 20 organizations of national repute on the topic 'Bridging Innovations & Skills Gap' on 10th May. The goal of this event was to collaboratively identify and design skill-based courses to be integrated across various academic departments. Institutions like National Innovation Foundation (NIF), Ministry of Education (MoE), Govt. Institute of Medical Sciences (GIMS), JNU and IIT Roorkee participated in the event. More than 45 GBU faculty members and 25 Industry experts discussed, exchanged thoughts, identified and highlighted the Industry-Academia innovation and skill gaps.

V.C Prof. Rana Pratap Singh with various industrialists and the faculty members of GBU in the round table discussion.

Vice chancellor Prof Rana Pratap Singh remarked that innovation is the key for growth of any nation. He shared that UP Govt has approved Rs. 50 crores to GBU for establishing the CoE on Artificial Intelligence (AI), and it will be a state-of-the-art supercomputing facility which will be available in the next few months. He also informed about the other programs, including DGCA approved Drone Pilot Training, BSc-MSc integrated Ayurveda Biology, MSc-PhD integrated Life Sciences and Systems Medicine, and BTech in AI. He told that the Systems Medicine scholars will have 3 mentors, one each from the University, Hospital and Industry. Dr Vipin Kumar, Chief Scientist and former Director of NIF explained the importance of bringing all stakeholders on one platform for promotion of innovation. He emphasized on filing more IPRs from India in all fields of industries, and also to understand the trend of the market and predict the future. Dr Vipin emphasized that to become a larger economy, we need to shift focus from service industry to manufacturing industry. Prof. Chaturvedi from JNU highlighted the importance of joint academic programs to have the industry-ready students as required by the industries. Dr (Brig) Rakesh Gupta, Director GIMS emphasized on innovation requirements and desired to have more incubators specially in medical field. Dr Satish K Mittal, Head of GBU Incubation Centre

showed trust in the youth of India and insisted on applied knowledge for growth of innovation-based economy. He also briefed that GBU has 18 registered startups and 40 startups which are in the ideation stage and will help GBU in having innovation based ecosystem for students. Dr Shakti Sahi, a faculty and Head of IPR Cell explained the commitment of Govt of India and Govt of Uttar Pradesh by providing technical and financial support to file more IPRs. Other key industry experts included Dr P K Patanjali, former Director, IPFT, GOI and Founder SJV Biotech Pvt Ltd; Dr. Anil Mishra, former director DRDO-INMAS and Prof at IIT Roorkee; Sh. Subhash Chandra Pandey, Deputy Director, Ministry of Education, GOI; Ms. Shalini Goyal, MD, International Council for Circular Economy; Prof. Binay Panda, JNU; Ms. Maya Serman, Senior Technology and Innovation Advisor, Embassy of Israel in India and many more shared their opinions. The in-depth discussion on Industry-Academia collaboration to address the skill gaps at national and global level was very effective.

**3. Expert Lecture on AI-Based Electrical Power Systems:** An expert lecture on the topic "Role of AI Technologies in Grid and Power Systems" was organized on 24th May by the Department of Electrical Engineering, School of Engineering. The one-day event aimed to strengthen the understanding of electrical power systems using modern technologies.

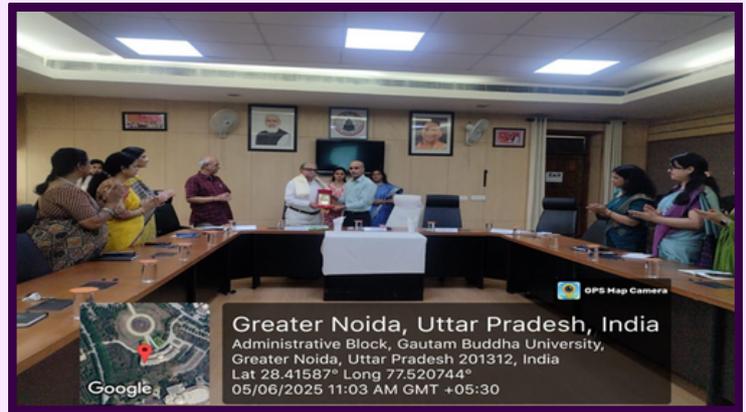

Prof. S. N. Singh from IIITM and Faculty Members & Students during the expert lecture

On this occasion, Prof. S. N. Singh from IIITM-Gwalior, delivered the expert lecture. He shed

light on both the theoretical and practical aspects of Artificial Intelligence (AI). He explained the role of AI in decision-making systems, load forecasting, and grid reliability. Students and faculty members found his presentation highly informative and enriching. Present on the occasion were Dr. Kirti Pal, Dean of the School of Engineering, Dr. Omveer Singh, Head of the Department of Electrical Engineering, Dr. M. A. Ansari, Dr. Nidhi Singh, and other faculty members including Ms. Jyoti Singh, Mr. Ravikant Yadav, Dr. Isha Kansal, Dr. Rahul, Dr. Preeti Kumari, and Kriti, along with students. The attendees actively participated in the question-and-answer session, resolving their queries through interaction with the expert.

**4. World Environment Day:** Gautam Buddha University observed the 52nd World Environment Day on June 5 with the global theme “Ending Plastic Pollution”, emphasizing the urgent need for sustainable solutions to one of the world’s most pressing environmental challenges. On this occasion, a “Brainstorming Session” was held at the VC Board Room in Administrative Block, and was organized by the Department of Environmental Science, University School of Vocational Studies and Applied Sciences. Prof. (Dr.) Saumitra Mukherjee, Former Dean, School of Environmental Sciences, Jawaharlal Nehru University, graced the occasion as the Chief Guest of the event that was presided over by Vice Chancellor Prof. Rana Pratap Singh. Dean Academics and Dean of the School of Vocational Studies and Applied Sciences, Prof. N.P. Melkania introduced the theme of the World Environment Day 2025 and formally introduced the Chief Guest in his opening address. The chief guest Prof. Mukherjee delivered an insightful keynote address on the catastrophic impact of plastic pollution on ecosystems and human health, while emphasizing the importance of collective -

**VC Prof. Rana Pratap Singh felicitating the Chief Guest, Prof. Soumitra Mukherjee, by presenting a memento**

action and policy-level changes to address it. He reiterated that Kshitij, Jal, Pavak, Gagan, and Sameera are not merely elements of nature, but deep metaphors that reflect the essence of human life and existence. In his inaugural remarks, Vice Chancellor Prof. Rana Pratap Singh highlighted the university’s commitment to the protection of environment and stated that GBU encourages research and innovation aimed at reducing plastic waste. He said that ‘urethane’ a type of plastic monomer used in the synthesis of the polymer ‘polyurethane’ (PU) has severely adverse health effects on living organisms as it is a potent carcinogen. He emphasized that epoxides formed from various types of monomeric plastics such as polystyrene and Bisphenol A are often toxic, bioactive, and persistent in nature and may cause adverse impacts on human health and environment. Prof. Melkania highlighted the global and Indian perspectives on the extent and impacts of plastic pollution. He called upon to embrace the traditional ways of living based on simplicity and sustainability. Dean of the School of Humanity and Social Sciences, Prof. Bandana Pandey briefly discussed the utility of gate keeping model for the spread of environmental awareness on plastic pollution and other contemporary environmental issues. During the brainstorming, the panel came up with several practical strategies for reducing plastic dependency and promoting circular economy models.

**5. Brain Storming Session of Industry-Academia in the USoE:** An industry-academia brain storming session was organized on 13 June in the University School of Engineering. Vice Chancellor Prof. Rana Pratap Singh chaired the session. The purpose of the session was to identify and bridge the gap between academia and industry.

V.C Prof. Rana Pratap Singh with faculty members and industry representatives during the brainstorming session

All the faculty members of USoE made presentations and highlighted their research area and the industry representatives shared their area of business and challenges.

\*\*\*\*

**6. Informative Session on Pepper Contest by Pantherun Technologies:** On 17 June an informative session was organised in the university School of ICT on upcoming Pepper Contest by Pantherun Technologies India. The contest offered a vibrant platform for students to showcase their talents in key domains such as AI, cybersecurity, embedded systems, and networking.

Glimpses of the informative session on pepper Contest by Pantherun Technologies

Designed to nurture innovation, enhance problem-solving skills, and honor technical excellence, the competition sought to empower the next generation of engineers and technologists. More than 30 students participated in the session.

## Extra-Curricular

**1. Buddha Purnima Celebration:** On the occasion of Vesak Day, a grand celebration of Buddha Purnima was organized at the university by the students of the School of Buddhist Studies and Civilization. It included participants from Vietnam, Myanmar, Laos, and India. Considering the ongoing examinations, the celebration was held on 3rd May instead of the actual date, 12th May. On this occasion, students took out a procession with the statue of Lord Buddha on the university campus. Buddha Purnima commemorates three significant events in the life of Lord Shakyamuni Buddha – his birth, enlightenment (Dhammachakkappavattana), and Mahaparinirvana (passing away). This sacred day symbolizes compassion, wisdom, and liberation.

Vesak day celebration

On this occasion, Vice-Chancellor Prof. Rana Pratap Singh, expressed that the message of Buddha Purnima should bring peace, meditation, and faith into everyone's life. Offering blessings of the Three Jewels (Triratna), he prayed that all beings may be happy, peaceful, and free from suffering. He also appreciated the dedication and magnificent exhibition prepared by the students of the Department of Buddhist Studies and Civilization.

VC Prof. Rana Pratap Singh with students on the occasion of Vesak Day

The students also served handmade Indian and international cuisine to the faculty members and fellow students. The university's faculty and students participated in the celebration with great enthusiasm.

## 2.Six-Day Vipassana and Mindfulness Workshop:

A six-day Vipassana and Mindfulness workshop was organized from 9th to 14th June in hybrid mode under the joint aegis of the School of Buddhist Studies and Civilization and the Triratna Foundation, Nagpur. The aim of the program was to promote mental well-being and to cultivate self-awareness and inner peace through a structured practice of mindfulness. Each day's practice sessions included activities such as four types of Vipassana, Just Sitting, Walking Meditation, Contemplation, Mindful Working, and Group Discussions. On the final day, participants shared their experiences, took part in a Dhamma discussion, and the workshop concluded with inspirational addresses. This

From left: VC Prof. Rana Pratap Singh, Head of Department Dr. Shivsai, Dean Prof. Shweta Anand, and Program Coordinator Dr. Manish Meshram.

retreat turned out to be a meaningful and transformative mindfulness journey, guiding participants towards self-growth.

Participants of the Vipassana Workshop with Certificates

By the end of the workshop, participants reported experiencing enhanced self-awareness, emotional stability, and mental clarity through the practice of mindfulness. Through activities like Just Sitting, Walking Meditation, Mindful Working, and Group Contemplation, they learned the art of living in the present and finding inner peace. On this occasion, Vice-Chancellor Prof. Rana Pratap Singh delivered an inspirational address, highlighting the benefits of Vipassana. Also present were Dean Prof. Shweta Anand, Program Coordinator Dr. Manish Meshram, Mindfulness Guru Dhammachari Chandraveer from the Triratna Foundation, Dr. Shivsai, Dr. Priyadarshini Mitra, Dr. Gyanaditya Shakya, Dr. C.S Paswan, Dr. Vidushi Sharma, and Mr. Vikram Yadav, along with other faculty members.

**3. Participation in event in International Buddhist Confederation:** On 15th May, the faculty and students of the Department of Buddhist Studies and Civilization participated in the Vesak Day (Buddha Purnima) celebrations organized by the International Buddhist Confederation in New Delhi.

**Faculty and Students of the Department of Buddhist Studies and Civilization at the Vesak Day Event Organized by the International Buddhist Confederation, New Delhi**

This event brought together monastics, Buddhists, and international delegates to commemorate the three great events in the life of the Buddha – birth, enlightenment, and parinirvana. It served as a meaningful occasion for people across the world to come together in the spirit of love, wisdom, and peace.

## 2. Birth Anniversary of Chhatrapati Shahuji Maharaj

On May 18, the residents of Chhatrapati Shahaji Maharaj Girls' Hostel at Gautam Buddha University organized a vibrant and inspiring program to commemorate the birth anniversary of the renowned social reformer, Shri Chhatrapati Shahuji Maharaj. The event began with the lighting of the ceremonial lamp by Chief Warden Dr. Vidushi Sharma, following an invocation to the divine. Dr. Sharma was the guest of honour for the occasion.

**Students and faculty and staff members on the occasion of the Birth anniversary of Chhatrapati Sahuji Maharaj**

Wardens of various girls' hostels and hostel supervisor Ms. Indu Rana were also present. The program was filled with energy and inspiration, showcasing active participation from both students and staff members. The event was coordinated and hosted by student Prerna. Chief Warden Dr. Vidushi Sharma addressed the gathering, appreciating the

enthusiastic participation of students and sharing her thoughts on hostel life and unity. A group dance was performed by Aditi Narwal, Aakriti Mishra, and Vanshika Tanwar, while student Divyanshi delivered an insightful speech on the life and legacy of Chhatrapati Shahuji Maharaj. The program concluded with a formal vote of thanks delivered by Hostel Warden Dr. Asha Pandey, followed by the National Anthem.

\*\*\*\*

**3. Tablet Distribution Program:** On 26th May, under the fifth phase of the Swami Vivekananda Youth Empowerment Scheme, a total of 532 students of Gautam Buddha University received tablets from the Uttar Pradesh Development Systems Corporation (UPDESCO).

Vice Chancellor Prof. Rana Pratap Singh, Registrar Dr. Vishwas Tripathi, faculty members, and students during tablet distribution

On this occasion, Vice-Chancellor Prof. Rana Pratap Singh congratulated the students and encouraged them to make effective use of the digital resources.

\*\*\*\*

**4. 11th International Yoga Day Celebration:** On 21st June, Gautam Buddha University observed the 11th International Day of Yoga with great enthusiasm and active participation within its campus. The event was successfully organized by the university's Sports Council under the leadership of its chairperson, Dr. Nagendra Singh, who welcomed all dignitaries and participants, emphasizing the growing need for awareness about yoga in contemporary times. Vice-Chancellor, Prof. R.P. Singh, graced the occasion

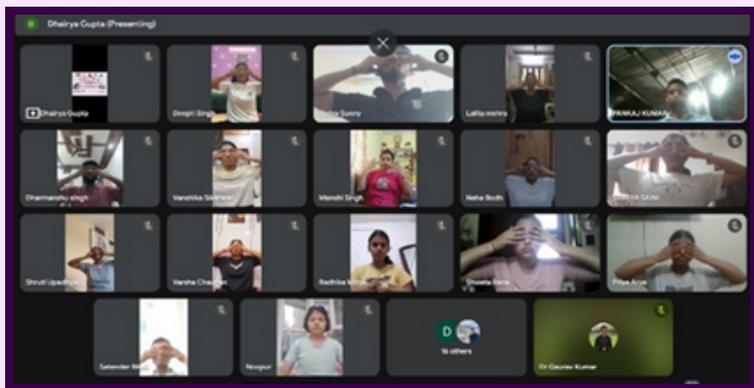

V.C Prof Rana Pratap Singh, registrar Dr. Vishwas Tripathi and others in the yoga session

the chief guest and described yoga as a scientific discipline that not only supports physical and mental well-being but also offers a powerful means of attaining inner peace and balance in life. He encouraged students and staff to make yoga a part of their daily routine. Registrar Dr. Vishwas Tripathi, faculty members including Dr. Vivek Mishra, Dr. Vivek Shukla, Dr. Dinesh Sharma, Dr. Vimlesh Kumar, and Dr. Vineet Kumar, along with staff members from various departments, participated actively in the yoga session. The session was conducted by trained yoga instructor Ms. Vaishali. The program concluded with a collective resolution by participants to adopt yoga as a regular practice, which the university administration hailed as a meaningful step toward mental peace, balanced living, and improved health.

A week prior to this, on 15th June, NSS Unit-2 of Gautam Buddha University also organized an online yoga session to celebrate the occasion. The objective of the program was to make students aware of the physical, mental, and spiritual benefits of yoga and to inspire them toward a healthy lifestyle. The chief guest of the event was Mr. Abhishek Bhagat (PCS), Regional Transport Officer, Karnaprayag, Uttarakhand. In his inspirational address, he emphasized the importance of yoga, stating that yoga is not merely exercise, but a philosophy of life rooted in discipline,

meditation, and balance. The yoga session was conducted by yoga expert Mr. Pankaj Kumar, who guided the students through various asanas, pranayama techniques, and meditation practices following the Common Yoga Protocol. Participants actively engaged in the session and gained a deeper understanding of various aspects of yoga.

Online yoga session

On this occasion, NSS Coordinator Dr. J. P. Moyal, Program Coordinator Dr. Lalita Mehra, and Dr. Gaurav Kumar also addressed the gathering. They emphasized the importance of incorporating yoga into daily life and encouraged all participants. The event was recognized as a motivational initiative and received enthusiastic participation.
