

## **Message from Head of the Department**

Department of Applied Physics was established in 2011 as a part of the School of Vocational Studies & Applied Sciences. Aim of the department is to impart in-depth knowledge of various disciplines of Physics and their applications by faculty members well-established in research and academics. The identified research area of the department includes Nanotechnology, Computational physics and Photonics. The department considers the students to be the greatest asset and strives to enhance their overall development including theoretical and experimental abilities, problem solving skills, creative talent and power of communication necessary for various kinds of employment. Currently the Department offers B.Sc. (Honours) Physics, M.Sc. Applied Physics and Ph.D. Applied Physics programmes as well as Post Graduate Diploma in Renewable Energy.

**Dr. Ashish Kumar Keshari**
