Gautam Buddha University

Walk-In Interview/Interaction/Presentation for TWO (02) Interns to develop "Inventory Management System"

(Walk in Interview: 25 November 2026)

(Revised)

Date: 17-11-2026

Stores and Purchase (S&P) Department, Gautam Buddha University requires two motivated interns to develop inventory management system as per the requirements of the University. The primary goal of this Internship is to provide opportunity to GBU students to sharpen their skills in portal development for inventory management of Stores and Purchase. The successful development of intended portal will enhance the employability of selected interns by providing them an opportunity to work in a professional environment, where interns can test innovative and feasible ideas to improve GBU services/facilities while building an overall brand.

With above background, S&P Department now invite students with passion to develop inventory management system capable of handling stores, procurement and write-off from GBU students with the following minimum qualification:

Essential Qualifications

1. The applicant must be a currently registered student of GBU and must have secured a minimum SGPA/CGPA of 6.0 (60 % marks for newly admitted students) in the last exam held/result declared.
2. The applicant should have no record of disciplinary action, suspension, penalty or other adverse disciplinary proceedings.
3. The candidate must have proven knowledge of Backend & Frontend Development.

Desirable Qualifications

The candidates having knowledge of MySQL, PHP/Python, MERN Stack, Database Design, API Development, React, HTML, CSS, UI/UX Design and Reporting/Dashboard.

Benefits

1. The University will provide a certificate of internship on completion of the internship.
2. **Interns will get a stipend @ Rs. 5000/- (Level-2) or Rs. 7500/- (Level-3) per month depending on the qualification and recommendations of the selection committee, subject to the satisfactory performance.**
3. Opportunity to test and apply ideas in real life and deliver desired products.
4. Opportunity to emulate a professional environment during studies.
5. Scope for improvement in effective communication, teamwork, project management, accountability, adaptability, patience, flexibility and hence employability.

Duration

Internship will initially be for the duration of four months. This can be extended further on the basis of performance and requirement.

Mode of Engagement

The interns shall work largely in the physical mode at the Stores & Purchase Department, Gautam Buddha University under the mentorship of Director, Stores and Purchase.

Process of Selection

Walk-In Interview/Interaction/Presentation of Interested and Eligible current GBU students in the office of Director, Stores & Purchase (Ground Floor, Administrative Building) at **4:00 pm on 25 November 2026 (Wednesday)**. The candidates are required to bring physical copies of latest CV, documents related to essential qualification and projects/reports/certificates of completed/ongoing relevant projects/portal/website development.
