

## FACILITIES

- Studio and lecture halls
- Labs
- Library
- Hostel(boy's and girl's)
- Auditorium
- WIFI

## STUDIO AND LECTURE HALLS

- A well lit studio cum lecture halls designed for 40 students enough for them to make models in design class as well as take lectures for a theory class.
- Provision of projector in each studio cum lecture hall helps presentation mode of lecture to be more efficient.

## Library

An in house library of the department for architecture specifically for all the subjects is updated every year and thus enables the students to use the books for reference.
