

Faculty details of Civil Engineering Department

S. No.	Name and Specialisation	Photo
1	<p>Dr. Shobha Ram Head & Assistant Professor, Civil Engineering Department. Ph.D. (Hydraulics), I.I.T., Roorkee. M.Tech. (Hydrology), I.I.T., Roorkee. Total Experience -34 years (12 years teaching experience in Civil Engg. Deptt., GBU), (22 years experience in research in the area of hydrology/Water Resources/Water Quality Monitoring & Analysis) Specialisation-Hydrology, Water Resources and Environmental Engineering Ph.D. Guided-05 Awarded, 04 are going on. M.Tech. Guided: 300 plus. B. Tech. Project guided: 500 plus. Research Papers: 75</p>	
2	<p>Dr. Rohit Ralli Assistant Professor on Contract, Civil Engineering Ph.D. in Geotechnical Engineering, IIT Delhi Master of Technology in Geotechnical Engineering, DTU Delhi Bachelor of Science in Civil Engineering, MITS Gwalior M.P Research Experience: -Published 5 research papers in reputable journals and presented findings at 4 international conferences. Professional Experience: - Expertise in soil mechanics, foundation design, and geotechnical analysis.</p>	
3	<p>Dr. Anju Agrawal Dr. Anju Agarwal graduated in Civil Engineering from Osmania University in 1993 with distinction. She did her M.E in Structural Engineering from Jai Narain Vyas University with Honours. She completed her doctorate in Structural Engineering from Delhi Technological University (Formerly Delhi College of Engineering) in the year 2020. She has rich teaching, industrial, and research experience of more than 10 years. She is the author of many research papers. She has guided many students at undergraduate and graduate levels. Her teaching interests include Earthquake Engineering, Base Isolation, and Concrete Technology.</p>	
4	<p>Mr. Rahul Kumar Assistant Professor on Contract Civil Engineering, School of Engineering PhD, (Thesis submitted), Delhi Technological University, M.Tech, Structural Engineering, National Institute of Technology, Srinagar Research Experience: Published 5 SCIE and 1 Scopus research papers in reputable journals and presented 4 international conferences. Specialisation- Structural Engineering, Concrete Technology, Earthquake Engineering.</p>	

5	<p>Anvita Tripathi Assistant Professor on Contract Civil Engineering, School of Engineering B.Tech- Kamla Nehru Institute of Technology Sultanpur (KNIT Sultanpur) with honours. M.Tech- Sardar Vallabhbhai Patel National Institute of Technology Surat (SVNIT Surat) in Environmental Engineering in 2016. Specialisation- She has rich teaching experience of 5 years where she has taken courses related to Environmental Engineering and guided the students for their under graduate and post graduate projects.</p>	
6	<p>Vikas Kumar Assistant Professor on Contract, Civil Engineering School of Engineering, Gautam Buddha University, Greater Noida. M.E. (2019), Civil Engineering, NITTTR, Chandigarh Specialisation- Surveying, Steel Structure, Reinforced Concrete Structure, CTM</p>	
7	<p>Chitransh Sharma Assistant Professor on Contract, Civil Engineering M.Tech(2020), Civil Engineering, Dr. A.P.J Abdul Kalam Technical University, Lucknow Specialisation- Strength of Materials, Structural Analysis, Reinforced Concrete Structure, Fluid Mechanics</p>	
8	<p>Manish Tomar Assistant Professor on Contract, Civil Engineering Department of Civil Engineering M.Tech (2020) (Structural Engineering): Gautam Buddha University Specialisation- Structural Engineering</p>	
9	<p>Km. Varsha Mall Assistant Professor on Contract, Civil Engineering M.Tech (2022), Civil Engineering, Madan Mohan Malaviya University of Technology, Gorakhpur Specialisation- Strength of Materials, Surveying , Geotech engg. , Building material and Construction, Transportation Engineering.</p>	

Supporting staff members

1	Name- Dushyant Pal Singh Lab Technical Superintendent	
2	Name- Ram Pravesh Lab Assistant	
3	Name- Sugam Kumar Lab Assistant	
4	Vineet Kumar Office Assistant
