Details of the Programs

The Education and Training Department offers three programs of teacher education:

i) Bachelor of Education (B.Ed.)*

This undergraduate program introduced since the academic year 2011-12, serves as a foundational platform for students aspiring to pursue a career in education. B.Ed. provides a comprehensive curriculum covering pedagogical methodologies, educational theories, and practical teaching experiences for Social Sciences, Commerce, Mathematics and Science students. It is designed to equip students with the essential skills and knowledge necessary for a successful career in teaching.

ii) Integrated Teacher Education Program (ITEP)*

A recent addition to the department's offerings, the Integrated Teacher Education Program (ITEP) was introduced in the academic year 2023. The ITEP program spans four years and encompasses eight semesters of study. It's a **dual-major bachelor's degree programme**, featuring one major in Education and another in a chosen disciplinary or interdisciplinary field. The ITEP curriculum and pedagogical approaches are guided by the core principles of the NEP 2020.

The objective of introducing the Integrated Teacher Education Program (ITEP) at Gautam Buddha University is to revolutionize teacher educators' preparation by providing a comprehensive, forward-thinking and student-centric approach to education. ITEP aims to address the evolving needs and challenges of the contemporary educational landscape by equipping future educators with the necessary skills, knowledge, and competencies to excel in their profession. By integrating theoretical learning with practical teaching experiences, this program ensures that graduates are well-prepared to navigate diverse classrooms and adapt to emerging educational trends. Furthermore, ITEP emphasizes the development of critical thinking, problem-solving and communication skills, essential for effective teaching in 21st century. Through its interdisciplinary curriculum and innovative pedagogical approaches, ITEP fosters a holistic understanding of education and encourages lifelong learning among aspiring teachers.

This four-year Integrated Teacher Education Programme (ITEP) envisions the creation of passionate, motivated, qualified, professionally trained, and well-equipped teachers capable of designing and implementing developmentally appropriate learning experiences for students at different stages of school education. The ITEP seeks to ensure that the prospective teachers are given the highest quality education in content, pedagogy, values, and practice.

iii) Bachelor of Physical Education and Sports (B.P.E.S.)

B.P.E.S is a comprehensive three-year degree program designed to immerse students in the dynamic realm of sports science and physical education. This program empowers students to embark on diverse career paths as sports, yoga, physical education and fitness instructors, as well as fitness counsellors etc.

iv) Master of Physical Education & Sports (M.P.E.S.)

M.P.E.S. is a specialized postgraduate program that provides advanced knowledge in physical education, sports science, fitness, and wellness. It prepares students for professional careers as sports educators, coaches, fitness trainers, researchers, and sports administrators.

v) Ph.D. in Education

The Doctoral Program in Department of Education & Training is a full course offered after M.Ed. or M.A in Education. The Doctoral Programme in Education aims to develop a systematic understanding of research in education.

With these programs, the Department of Education and Training not only caters to the foundational and advanced educational needs of students but also embraces innovation with the introduction of ITEP, aligning with the dynamic requirements of the education sector. Beyond conventional pedagogical approaches, the department actively integrates innovative practices within the domain of teacher education.
