Vision

“A globally acclaimed integrated academic and research institution that creates a vibrant community of intellectuals and entrepreneurs endowed with Character, Creativity, Competence & Commitment, who can inspire meaningful transformations to ensure holistic growth and development of the society.”

We, at Gautam Buddha University, have continuously been working towards developing productive and reliable human resource which caters to the needs of the transnational and pluricultural world. Our specialised and customized academic programmes are a fine blend of the demands of the emerging fields in science and technology and our inherited wisdom and knowledge system. These programmes have been developed in line with the programmes offered by leading institutions of higher learning across the globe.”

Prof. Ravindra Kumar Sinha
Vice-Chancellor

Gautam Buddha University commenced its first academic session at its 454.76 acres lush green campus at Greater Noida in August 2008. The university is recognised by the University Grants Commission and is a member of the Association of Indian Universities. The academic Bodies, Councils, whichever are applicable in the individual cases. In order to promote value-based education, research and training, the University has eight Schools of Studies.
