Gautam Buddha University

An Ultimate Destination For Higher Education

Message from VC

Vice Chancellor

Prof. Ravindra Kumar Sinha

Education in its truest sense is our foremost mission. At Gautam Buddha University, dreamers become thinkers, achievers, solvers, pioneers, and influencers. We are devoted in assisting our students to endure imperishable intellectual, societal and individual transformation. There is phenomenal potential in our students. We stimulate their vision and empower them to actualize their vigor, by infusing experiential, experimental and inter-disciplinary learning in a research environment.

Gautam Buddha University cordially invites you to participate in the Campus Recruitment Program 2023-24, which will provide graduating students with an opportunity to demonstrate their worth and contribute to your organisation. We're excited to give recruiters a positive experience and take a step ahead in developing our relationship with the industry.

Gautam Buddha University

An Ultimate Destination For Higher Education

Our Vision & Mission

University School of Information and Communication Technology

"A globally acclaimed integrated academic and research institution that creates a vibrant community of intellectuals and entrepreneurs endowed with Character, Creativity, Competence and Commitment, who can inspire meaningful transformations to ensure holistic growth and development of the society."

The Mission of University is expressed through the following goals:

1. To generate a community of scholars who can manage continuity and change.
2. To seek and incorporate the best practices in teaching and learning from around the world.
3. To inculcate in the learners due appreciation for ethical, ecological & economic issues of knowledge.
4. To provide knowledge based scientific solutions to satisfy the need of society and industry.
5. To ensure an academic environment that guarantees avenues for all historically excluded sections of the society.

Vision & Mission

To set forth quality education for producing world-class technocrats and entrepreneurs with the latest knowledge, sound ethics, and innovative ideas in ICT to meet industrial needs and societal expectations. The mission is to impart world-class value-based technical education in all aspects of ICT through state-of-the-art infrastructure and innovative approaches to produce ethical, motivated, and skilled professionals through theoretical knowledge and practical applications

Learn From The Best

Prof. Sanjay Sharma

DEAN (SOICT)

Ph.D., Artificial Intelligence, Internet Technology, Nanotechnology, Research & Publications ethics, created Centre for Rapid and Alternative Energy Mobility, member of RUSA committee

Dr. Rajesh Mishra

Ph.D. (IIT Kharagpur, Network Reliability), M. Tech. (IIT, Kharagpur, Reliability Engg.), B.E. (IIT, Kharagpur, Electronics Engg.), founder of JCC Member of Center for Rapid & Alternative Energy Mobility, awarded by IETE, member of IAENG, IACSIT, IEEE Internet Technology.

Dr. Vidushi Sharma

HOD (ECE)

Ph.D. (CS), M. Tech. (CS, Gold medalist), M.Sc.(CS), IoT(Internet of Things), Sensor network, publications in journals like IEEE Transaction, Springer and Elsevier Publications, Convenor of Center of Excellence of Rapid Alternative Energy & Mobility.

Dr. Anurag Singh Baghel

HOD (CSE)

D.Phil , Artificial Intelligence, Soft Computing, Optimization Techniques, Algorithm Design, Embedded Systems, PhD (CS) , M.Tech., Big Data Analytics.

Dr. Pradeep Tomar

Ph.D. (CS), M.Tech. (CSE), MCA Software Engineering, Artificial Intelligence Co-investigator in a sponsored research project in High throughput design, synthesis, and validation of TALENs for targeted Genome Engineering

Dr. Neeta Singh

HOD (IT)

Ph.D. (CS), Computer Networks, Wireless Networks, Mobile Computing, Wireless Technology, MANETs,, VANETs, Next Generation Networks, M.C.M (Masters in Computer and Management) ,BSc. (Physics, Chemistry, Mathematics), M.Tech. ICT

Dr. Arun Solanki

Ph.D. (CSE), M. Tech. (YMCA, 1st division), AI, ML, DBMS, IBM certified Database Associate, IoT, Expert systems, Associate Editor in the International Journal of Web-Based Learning and Teaching Technologies (IJWLTT) .

Dr. Vimlesh Kumar Ray

PhD (Ad-Hoc Wireless Networks), M. Tech. (Wireless Communication and Networks), B.Tech. (Electronics and Communication Engineering), presented the project in Indian Science Congress at Anna University Chennai, National winner of National Children Science Congress, awarded for many innovation projects.

Dr. Aarti Gautam Dinker

Computer Science and Engineering PhD, MS , B. Tech. CS, Information Security & cyber law, Network Security, Computer programming, Wireless networks, IT

Dr. Rajendra Bahadur Singh

M.Tech (VLSI Design), B.Tech(Electronics & Telecomm.), Linear IC Applications, Digital Logic Design, CMOS VLSI Design

Dr. Priyanka Goyal

PhD Optoelectronics and VLSI (On-chip optical interconnects), Analog Communication, Network Analysis and Synthesis, VHDL, Verilog, Automation and Physical Design, B.Tech in ,M.Tech in VLSI design (Electronics & Communication Engg)
